### IACCC meetings

- Remaining Meetings for 2015
  - **In-Person @ APU (9 am – Noon): November 13th**

### Old Business

- Discuss deadline date changes for IACCC scholarship
  - Carol suggested maybe having different due dates for PT vs PTA
  - Christie Karle, Mary Riley & Corina Aguirre will talk with Wendy, Grace & Theresa regarding ideas for date change for PTA and bring to the group
  - Valeria Christensen stated that current deadline works for Cerritos College, but would be open to moving the deadline for PTA. Would prefer a deadline that is *NOT* in summer (June – early August) and Spring deadline dates (March – May) do not work for Cerritos secondary to timing of first internship (Spring Semester) and graduation date (late May); anytime in Fall (Mid August – December) would be ok
- New member participation in current committees or new committee ideas – deferred until November Meeting
- Development of new policies or clinical expectations – deferred until November Meeting
- Next IACCC/CEF Meeting
  - Possible Sites for Meeting: Western University (Pomona), Stanbridge (Irvine)
  - Generally 80-90 participants for this meeting
  - March seems to be a good month; Mondays or Tuesdays seem to be preferred options at this point
    - Both Western & Stanbridge will investigate possibility of hosting this class and get back to us with specific dates and room capacity
  - Topic Ideas
    - Managing Student Expectations and/or Difficult Students
    - Weekly Objectives and structured feedback & goals for students; when to contact DCE when problems occur (these topics generally covered in CI Credentialing, but may be a good review)
    - Janet to float some ideas and speaker options and we can narrow down over e-mail
    - Once we have come up with ideas, Janet suggested to float at ELC Meeting where we can then identify interest & potential speakers
    - Finalize details in November at in-person meeting
- Discuss CI Training – deferred until November Meeting
